

CAMBRIDGE 1&2 MODEL

PIONEER ESTATES IN BRICK, NJ

PRESENTED BY: RE/MAX REVOLUTION

WELCOME TO PIONEER ESTATES

A new 15-home community in the coastal area of brick (not in a flood zone) being built by a local and reputable builder. The Cambridge 1 and 2 model includes five with a potential six beds, three baths, two-car garage, 3241-3400 square feet, and full basement (superior wall foundation). Interior includes: First-floor bedroom/study and full bath, 9-foot ceilings on the first floor, hardwood flooring on the first floor and second floor hallway, custom trim/paint throughout, gas fireplace in the family room, and a large open floorplan. Kitchen boasts 42-inch cabinets, granite counters, tile backsplash, stainless steel appliances, and pantry. Master includes: Vaulted ceiling, large walk-in closet, and attached full bath with dual sink vanity and shower stall. Close to shopping, minutes to Jersey beaches, and major transportation.
